

Cartigenix HP®

Supports Joint Health and Cartilage Metabolism*

CGX060 | 60 capsules

Everyday movement shouldn't feel like a struggle. Yet for millions of people, joint discomfort, stiffness, and swelling can make even simple activities challenging, such as climbing stairs, walking the dog, or standing up from a chair. Cartigenix HP® is a unique blend of *Boswellia serrata* and celery seed extract to help promote healthy cartilage turnover and help preserve healthy cartilage tissue.* Backed by clinical research, Cartigenix HP® offers a supportive way to help your joints feel more flexible, resilient, and ready to move with you.* In fact, patients noticed changes in joint comfort in one week.* By supporting a healthy inflammatory response at the source, Cartigenix HP® helps you move freely, stay active longer, and keep doing the things you love.*

MUSCULOSKELETAL HEALTH*

Clinically shown to support normal cartilage metabolism*

May help improve joint comfort and mobility*

Supports comfortable daily exercise*

May help reduce exercise-related stiffness and improve movement comfort*

Supports a healthy inflammatory response*
