#1 PRACTITIONER SUPPLEMENT BRAND | RECOMMENDED BY FUNCTIONAL MEDICINE PROFESSIONALS WHO KNOW OF DFH††

GI Revive®

Intestinal Permeability Support*

GIR225 | Net Wt. 7.9 oz (224 g) powder | GRV210 | 210 capsules

A happier gut starts with GI Revive® – an industry-leading, meticulously crafted 15-in-1 synergistic blend of nutrients and botanicals to support gastrointestinal (GI) function and integrity.* GI Revive® is designed specifically to help revive the gut lining.* The gut lining must maintain the dynamic ability to act as a barrier from toxins and microbes from food or drinks, while also absorbing and allowing health-supportive nutrients into the body's general circulation. In other words, foundational health begins with a healthy gut barrier. Experience the most comprehensive gut support formula to help restore and fortify GI barrier function and integrity.* The powdered form of GI Revive® is sweetened with stevia leaf and monk fruit extract and can be mixed into any beverage or functional food powder; plus, it is free of artificial flavors or sweeteners.

GASTROINTESTINAL HEALTH*

- Supports healthy GI function and bowel regularity*
- May help relieve occasional gas or bloating*
- Supports a healthy inflammatory response in the gut*
- Supports gut barrier integrity*
- Promotes gut-associated immune function*
- Helps soothe the GI mucosal lining*

GRV210-12

Recommended Use:

Powder: Mix 8 grams (approximately one scoop) in water or other liquid per day or as directed by your health-care practitioner. **Capsules:** Take seven capsules per day, or as directed by your health-care practitioner.

JUST THE FACTS:

Compare supplement facts to the leading brands

- **L-Glutamine** — An important amino acid for the structural support of intestinal cells, promoting a healthy gut lining, and supporting healthy gut-inflammatory responses*
- **N-Acetyl-D-Glucosamine (NAG) and Mucin** — Promotes gut-associated immune system balance and a healthy GI mucosal lining, which may help support healthy nutrient absorption*
- **Zinc L-Carnosine** — Supports gut lining integrity*
- **Deglycyrrhizinated Licorice Extract (DGL), Aloe Vera, Slippery Elm, Marshmallow, Chamomile, Okra, and Cat's Claw** — Botanical blend to soothe and coat the intestinal lining, promote the body's normal GI repair process, and maintain GI mucosal health*
- **Methylsulfonylmethane (MSM) and Quercetin** — Promotes antioxidant status and healthy inflammatory response in the gut*
- **Prune Powder and Citrus Pectin Cellulose** — Offers gentle support for bowel regularity*

To gain an in-depth look into the health of your gut microbiome, talk with your health-care practitioner about **Designs for Health GI Spotlight™** functional wellness testing.

The Designs for Health Spotlight™ functional wellness tests are not diagnostic and are not eligible for coverage under Medicare, Medicaid, or medical insurance. DFH Spotlight testing must be ordered or authorized by a qualified health-care provider registered with DFH. Please reach out directly to your practitioner to express your interest in any of the Spotlight tests.
