

# GI Revive®

## Intestinal Permeability Support\*

🍷 GIR225 | 225 g (8 oz) powder    📦 GRV210 | 210 capsules

A happier gut starts with GI Revive® – an industry-leading, meticulously crafted 15-in-1 synergistic blend of nutrients and botanicals to support gastrointestinal (GI) function and integrity.\* GI Revive® is designed specifically to help revive the gut lining.\* The gut lining must maintain the dynamic ability to act as a barrier from toxins and microbes from food or drinks, while also absorbing and allowing health-supportive nutrients into the body's general circulation. In other words, foundational health begins with a healthy gut barrier. Experience the most comprehensive gut support formula to help restore and fortify GI barrier function and integrity.\* Offered in capsule or powdered form (peach flavor with other natural flavors). The powdered form of GI Revive® is sweetened with stevia leaf and monk fruit extract and can be mixed into any beverage or functional food powder; plus, it is free of artificial flavors or sweeteners.

### GASTROINTESTINAL HEALTH\*

Supports healthy  
GI function and  
bowel regularity\*

Supports gut  
barrier integrity\*

May help relieve  
occasional gas or  
bloating\*

Promotes gut-associated  
immune function\*

Supports a healthy  
inflammatory  
response in the gut\*

Helps soothe the  
GI mucosal lining\*

#### Recommended Use:

**Powder:** Mix 8 grams (approximately one scoop) in water or other liquid per day or as directed by your health-care practitioner. **Capsules:** Take seven capsules per day, or as directed by your health-care practitioner.

### JUST THE FACTS:

Compare supplement facts to the leading brands

- **L-Glutamine** — An important amino acid for the structural support of intestinal cells, promoting a healthy gut lining, and supporting healthy gut-inflammatory responses\*
- **N-Acetyl-D-Glucosamine (NAG) and Mucin** — Promotes gut-associated immune system balance and a healthy GI mucosal lining, which may help support healthy nutrient absorption\*
- **Zinc Carnosine** — Provides support for the health of the gut lining and integrity\*
- **Deglycyrrhizinated Licorice Extract (DGL), Aloe Vera, Slippery Elm, Marshmallow, Chamomile, Okra, and Cat's Claw** — Botanical blend to soothe and coat the intestinal lining, promote the body's normal GI repair process, and maintain GI mucosal health\*
- **Methylsulfonylmethane (MSM) and Quercetin** — Promotes antioxidant status and healthy inflammatory response in the gut\*
- **Prune Powder and Citrus Pectin** — Offers gentle support for bowel regularity\*

To gain an in-depth look into the health of your gut microbiome, talk with your health-care practitioner about **Designs for Health GI Spotlight™** functional wellness testing.
