## JUST THE FACTS

- **Vitamin C** – A necessity for optimal skin health, strength, elasticity, brightness, and radiance.\* Provides antioxidant skin protection, supports healthy wound healing, and offers some defense from environmental exposure that can lead to wrinkles, fine lines, or discoloration.\*
- **Sodium ascorbate** - A gentle and well-tolerated form of vitamin C.\*
- **Liposomal delivery** – Boosts the bioavailability and absorption of the star ingredient, vitamin C.\* Liposomes are absorbed rapidly in the mouth, where they can bypass the normal route of absorption in the GI tract.\*
