

# Liposomal D Supreme

Superior Delivery and Absorption\*

LPODSP | 1.6 fl oz (50 ml)

Designs for Health's Liposomal D Supreme is a liquid form of vitamin D, perfect for people who have trouble swallowing pills or need higher serving sizes recommended by their health-care practitioner.\* This supplement uses liposomes, which are small spheres made of fats that help your body absorb vitamin D quickly and efficiently, starting in your mouth and lasting longer in your body.\* Vitamin D is essential for your immune system, bone health, and healthy blood sugar metabolism.\* Plus, it promotes balanced mood and helps your body absorb calcium.\* Many people in North America don't get enough vitamin D because they don't get enough sunlight, eat enough foods with vitamin D, or have trouble absorbing it due to digestive issues.\* It is beneficial to supplement vitamin D and K together because, while vitamin D helps your body absorb calcium, vitamin K helps utilize that calcium to promote healthy bones, teeth, and heart.\*

## FOUNDATIONAL HEALTH\*

Promotes optimal bone health\*

Supports balanced immune health\*

Supports healthy blood sugar metabolism\*

Supports brain health and balanced mood\*

Helps optimize calcium absorption\*

## JUST THE FACTS:

Compare supplement facts to the leading brands

- **Vitamin D** — Promotes optimal immune, bone, and brain health, supports mood balance, promotes healthy blood sugar metabolism, and helps with ideal calcium utilization and status.\*
- **Vitamin K (as K1 and K2)** — Vitamin K helps promote bone and heart health.\* It works with vitamin D to make sure calcium goes into your bones and teeth, not undesirable placed on your blood vessels and joints.\* Vitamin K1 is found primarily in green leafy vegetables. Vitamin K2 (as MK-4) is found in fermented foods, eggs, and dairy, and is the preferred storage form of vitamin K in the body.\*
- **Phospholipids** - Provide liposomal technology to promote nutrient absorption and bioavailability.
- Lightly sweetened with stevia for improved taste.
