

PaleoMeal®

Nutrient-Dense Meal Supplement with Premium Bone Broth Protein

PPMVAN | Net Wt. 16.40 oz (1.03 lbs) 465 g
 PPMCHC | Net Wt. 17.5 oz (1.1 lbs) 495 g

PaleoMeal® is a nutritious, easy-to-mix meal supplement powder that supports healthy body composition and normal appetite.* It comes in chocolate or vanilla (with other natural flavors) and is a great choice for anyone looking to add more nutrition to their day. Each serving provides complete protein, beneficial fats, fiber, and key vitamins and minerals in their bioavailable forms to support foundational nutrient status.*

With a very low glycemic impact (only 2 to 4 grams of net carbs) and as a good source of fiber, PaleoMeal® can be used to complement or boost meals that may be lacking in calories or nutrients, or to be enjoyed on its own as a quick, satisfying snack. It's sweetened with stevia and contains no sucrose, fructose, or artificial sweeteners.

BODY COMPOSITION*

Supports healthy body composition and weight management*

Supports optimal protein and nutrient status*

Supports healthy metabolism*

Helps support a normal appetite*

Supports healthy muscle mass and function*

Supports healthy collagen status*

Ingredients: Bone broth collagen protein (HydroBEEF™), vegetable fiber, medium chain triglycerides, cocoa powder, natural flavor, glucomannan (from konjac), sea salt, silicon dioxide, PhytoSweet™ blend (rebaudioside M, steviol glycosides (from Stevia rebaudiana leaf)).

Recommended Use: Mix 31 (vanilla) or 33 (chocolate) grams (approx. one scoop) in 8 ounces of water or any other beverage per day or as directed by your health-care practitioner.

JUST THE FACTS:

Compare supplement facts to the leading brands

- **Essential vitamins and minerals** – Provides a broad range of key nutrients in bioavailable, highly absorbable forms to help support optimal nutrient status – especially important during a weight management program.*
- **HydroBEEF™ protein** – Delivers 17 grams of complete protein per serving. This high-quality bone broth protein comes from grass-fed Swedish cows raised without hormones or GMOs. It contains all essential amino acids and collagen-building blocks naturally found in beef, and is hydrolyzed (partially broken down) for enhanced digestion and absorption. Adequate protein intake supports muscle strength, healthy body composition, and healthy metabolism.*
- **Medium chain triglycerides (MCTs)** – Healthy fats sourced from coconut and sustainable palm oils. MCTs are quickly used by the body for energy and may help promote feelings of fullness and support healthy weight management.*
- **Glucomannan** – A gentle, water-soluble fiber that supports regular bowel movements, balanced blood sugar, and satiety – all of which may help maintain a healthy body composition.*
