

TriMag Supreme™ Night

UNIQUE BLEND OF THREE HIGHLY ABSORBABLE FORMS OF MAGNESIUM AND BOTANICALS TO SUPPORT SLEEP AND RESTFULNESS**

Introduction

TriMag Supreme™ Night is a unique blend of three highly absorbable forms of magnesium along with relaxation-supportive botanicals to help support restful sleep.* One serving provides 300 mg of elemental magnesium in an easy-to-mix powder. This product contains botanicals that may support a healthy response to stress and help support sleep quality and duration.* It has a delicious lavender and lemon flavor and is naturally sweetened with monk fruit, and it contains no stevia or artificial sweeteners.

TriMag Supreme™ Night contains a blend of Montmorency cherry powder, California poppy, and lavender extract. Montmorency cherry powder (*Prunus cerasus*) has been shown to promote metabolism of melatonin and help support sleep quality and duration.*

California poppy (*Eschscholzia californica*) has been shown to have sedative and calming properties in animal studies. Lavender (*Lavandula angustifolia*) extract has been shown to improve sleep quality in clinical studies. Magnesium has been shown to support sleep and a healthy response to stress in studies. Additional studies have also shown improvements in sleep time, sleep efficiency, and serum melatonin when assessing magnesium supplementation.*

Benefits*

- Sleep quality and duration
